## Project Description

According to the Bank's website, the objective of this project is to foster water security and resilient recovery of target and participating countries in the Danube region. This will be achieved by supporting the strengthening of water sector policies, institutional capacities, and efficiency of water sector delivery. The achievements of the previous three Phases on capacity development and performance improvement will be solidified to ensure a stable and continuous delivery of benefits.

## Investment Description

- World Bank (WB)

### ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: <https://www.worldbank.org/en/access-to-information/request-submission>

### ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing [ipanel@worldbank.org](mailto:ipanel@worldbank.org). Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
