Investment Type(s)	Advisory Services
Investment Amount (USD)	$ 20.00 million
Project Cost (USD)	$ 20.00 million

Project Description

According to World Bank project page, the development objectives of the Technical Assistance for Financing Framework for Rogun Hydropower Project for Tajikistan are to strengthen Rogun Hydropower Plant (HPP) Project's financial and commercial frameworks, enhance its environmental and social sustainability, improve the transparency, and support establishment of Rogun HPP Project's benefit sharing program.

The project comprises of four components. The first component is development of a macroeconomically sustainable financing plan and a commercial framework for Rogun HPP Project. The second component is improvement of the dam safety. The third component is strengthening of environmental and social (E and S) framework and benefit sharing aspects of Rogun HPP Project. The fourth component is strengthening of institutional capacity of Rogun Project Management Group (PMG) and Rogun Joint Stock Company (JSC).

Early Warning System Project Analysis

The World Bank has designated a risk category of HIGH.

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: https://www.worldbank.org/en/access-to-information/request-submission

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: https://www.inspectionpanel.org/how-to-file-complaint
