| Investment Amount (USD) | \$ 5.00 million     |

### Project Description

According to the bank's document, "The objective of the Project is to strengthen early warning, resilient investments and financial protection of Tonga...The AF will support an identified financing gap under Component 1: Strengthening Early Warning and Preparedness, and a corresponding financing gap under Component 4: Project and Program Management, due to the extended closing date of 18 months. No changes are required to the PDO, though changes are proposed to the results framework as detailed below."

### Contact Information

#### ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: <https://www.worldbank.org/en/access-to-information/request-submission>

#### ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing [ipanel@worldbank.org](mailto:ipanel@worldbank.org). Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
