Project Description

According to the World Bank, the Project Development Objective (PDO) is to expand the area under sustainable watershed and landscape management for livelihoods and conservation in the project areas.

The project will support a subset of activities contained in The National Landscape and Ecosystems Restoration Programme Strategy. Under the KEWASIP the selected activities are expected to be grouped under three Results Areas: (i) strengthened watershed planning, governance, and monitoring; (ii) watershed services and landscape restoration (private/communal lands); (iii) Public land management and restoration (public/protected lands).

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: <https://www.worldbank.org/en/access-to-information/request-submission>

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
