Sectors	Industry and Trade, Law and Government
Investment Amount (USD)	\$ 450.00 million

Project Description

As stated by the World Bank, the project development objective is to support an efficient green transformation for industrial firms in Türkiye.

The implementing agencies are: the Scientific and Technological Research Council of Türkiye (TUBITAK), the Small and Medium Enterprise Development Organization of Türkiye (KOSGEB), and the Ministry of Industry and Technology.

The project has three components:

- 1) Support manufacturing SMEs improve their energy and resource performance and reduce their carbon emissions (US\$250 million), which will be managed by the KOSGEB and aims to provide reimbursable grants for investments in renewable energy, resource efficiency, and circular economy;
- 2) Support the Green Innovation of Enterprises (US\$175 million), which will be managed by the TUBITAK and aims to provide reimbursable grants for green firm-level and platform-level innovations (product and process); and
- 3) Project management and institutional development (US\$25 million), which will be managed by MOIT/DGI and aims to coordinate project activities, define an eligible green technology taxonomy, provide technical assistance to MOIT and partners, qualify and certify green transformation experts, establish a green knowledge management system for industries, and provide awareness to firms about the project activities and results.

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: <https://www.worldbank.org/en/access-to-information/request-submission>

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
