Project Description

According to bank documents, the project objectives are to improve resilience among the poor and vulnerable population and to strengthen the national platform for safety nets in the Republic of Malawi.

Activities under the SSRLP are structured into four mutually reinforcing components, and AF2 will scale up components 1, 2 and 3:

- Component 1: Improving Social and Economic Inclusion
- Component 2: Strengthening Harmonized Delivery Systems
- Component 3: Capacity Building and Institutional Strengthening Support
- Component 4: Contingent Emergency Response

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: https://www.worldbank.org/en/access-to-information/request-submission

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: https://www.inspectionpanel.org/how-to-file-complaint
