

 Early Warning System

WB-P180895

Strengthening the Rice System in Sierra Leone through South-South
Cooperation

Quick Facts

Countries	Sierra Leone
Financial Institutions	World Bank (WB)
Status	Proposed
Bank Risk Rating	B
Borrower	Government of Sierra Leone - Ministry of Finance; Ministry of Agriculture and Food Security
Sectors	Agriculture and Forestry
Project Cost (USD)	\$ 2.80 million

Project Description

According to the Bank's website, the objective of this project is to increase adoption of sustainable climate smart and best practices in rice production by smallholders in four districts in Sierra Leone. To achieve this, the proposed pilot project will facilitate knowledge and experience sharing between Sierra Leone and Vietnam to strengthen institutional/technical capacities of 10,000 rice farmers in Sierra Leone in improved climate smart rice production techniques.

Early Warning System Project Analysis

The potential environmental risk classification is Moderate, as the activities under Component 2 involve the supply of the following equipment and facilities to beneficiaries: (i) agricultural production equipment such as animal traction implements, power tillers, manually operated weeders/hand-held cultivators, transplanters and seeders/planters, (ii) harvesting and postharvest management equipment and facilities, e.g., mobile harvesters, mobile threshers, and tarpaulins, and (iii) agricultural marketing equipment, such as transport equipment (ox-cart).

Investment Description

- World Bank (WB)

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: <https://www.worldbank.org/en/access-to-information/request-submission>

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
