Status	Proposed
Bank Risk Rating	B
Borrower	René Moawad Foundation
Sectors	Law and Government
Project Cost (USD)	\$ 2.71 million

Project Description

According to the Bank's website, the objective of the proposed project is to improve the welfare of low-income Lebanese households through productive economic inclusion.

Early Warning System Project Analysis

The project will not have any civil or construction works or operation of machinery that would generate waste, cause environmental nuisance or pose risks to the environment thus the environmental risk is rated low. The social risk is rated moderate as the project activities may be associated with some adverse social risks such as the perception of exclusion of certain vulnerable groups from the project benefits, the risk of miscommunication or insufficient communication of the project specificities and the risk of a weak functioning grievance mechanism which has not been adequately and widely disseminated to reach all beneficiaries.

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
