Sustainable Financing for Rogun Hydropower Project

## Quick Facts

<b>Countries</b>	Tajikistan
<b>Specific Location</b>	Rogun
<b>Financial Institutions</b>	World Bank (WB)
<b>Status</b>	Approved
<b>Bank Risk Rating</b>	A
<b>Voting Date</b>	2024-12-17
<b>Borrower</b>	Government of Tajikistan
<b>Sectors</b>	Energy, Hydropower
<b>Investment Type(s)</b>	Grant
<b>Investment Amount (USD)</b>	\$ 350.00 million
<b>Grant Amount (USD)</b>	\$ 350.00 million
<b>Project Cost (USD)</b>	\$ 6,290.00 million

## **Project Description**

As stated by the World Bank, the objective of the Sustainable Financing for Rogun Hydropower Project for Tajikistan is to increase the supply of clean, affordable, and climate-resilient hydroelectricity for consumers in Tajikistan and the Central Asia region.

There are four components to the project, the first component being construction activities. Activities include: (i) design and supply of replacement runners for generating units 5 and 6 and design, supply, and installation of electro-mechanical equipment for generating units 3 and 4 with a combined installed capacity of approximately 1,260 MW, including turbines, generators, frequency governor, excitation system, electrical systems, unit-related monitoring system, cooling water system, compressed air system for the governor, fire detection and suppression systems (lot 1); and (ii) installation of replacement runners for generating units 5 and 6 and other turbine rehabilitation works and control system integration (lot 1A).

The design of electromechanical equipment includes design specifications that account for projected increases in precipitation due to climate change, thereby minimizing the risk of damage or dam failure. The second component is the project implementation support. This component includes project management consultants, employer costs, and implementation support. The third component is implementing a resettlement action plan (rap) and livelihood restoration plan. Finally, the fourth component is the hydro-meteorological activities. This component includes hydromet investments, TA for improved water use, and monitoring water use.

The Government of Tajikistan established Rogun JSC to own and operate the Project. Tajikistan also established the Project Management Group (PMG) for Energy Facilities Construction under the President of the Republic of Tajikistan, which is the implementing entity for construction of the Project.

---

## **Early Warning System Project Analysis**

The World Bank categorized the project E&S risks as 'High'.

## Contact Information

### World Bank Team Leaders:

Christopher Philip Trimble - Senior Energy Specialist

Manuel Berlengiero - Lead Energy Specialist

### Client - Government of Tajikistan:

Faiziddin Qahhorzoda - Minister of Finance

Email: [faiziddin@inbox.ru](mailto:faiziddin@inbox.ru)

### Implementing Agencies -

#### Rogun HPP Open Joint Stock Company:

Khaiyrullo Safarzoda - General Director

Email: [m.tohirzoda@rogunges.t](mailto:m.tohirzoda@rogunges.t)

#### Rogun Project Management Group for the Power Plant Construction under the President of the Republic:

Pulod Muhiddiniyon - Director of Rogun PMG

Email: [grpsgs@gmail.com](mailto:grpsgs@gmail.com)

#### Directorate of the Flooding Zone:

Manuchehr Jamilzoda - Director

Email: [mdmmz@internet.ru](mailto:mdmmz@internet.ru)

## ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: <https://www.worldbank.org/en/access-to-information/request-submission>

## ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing [ipanel@worldbank.org](mailto:ipanel@worldbank.org). Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
