Project Description

According to the Bank’s website, the project development objective is to provide cash transfers to targeted poor and vulnerable households and establish the key building blocks of a national shock-responsive safety net system.

Early Warning System Project Analysis

Environmental and Social Risk Classification (ESRC): Moderate

The Environmental risks of the project are rated as ‘Moderate.’ Key environmental risks include: a) Occupational Health and Safety (OHS) risks for project workers resulting mainly from fragility, rehabilitation of project-supported healthcare facilities, exposure to hazardous chemicals, and prevalence of security incidences; and b) risks of infection and potential gaps in the proper handling and management of medical wastes, resulting from the improper disposal or use of sterilization unit waste, disinfectants, antiseptics, reagents as well as biological and infectious waste (bandages, needle tips, specimen containers, blood bags) and radioactive waste.

Investment Description

- World Bank (WB)

The Federal Government of Somalia (FGS) has requested additional International Development Association (IDA) grant financing to address drought induced emergency through the Somalia Shock Responsive Safety Net for Human Capital Project (SNHCP, P171346). The financing amount is US$100 million equivalent with US$ 80 million equivalent from CRW ‘last resort financing’ and US$20 million from IDA Performance Based Allocation (PBA).

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: https://www.worldbank.org/en/access-to-information/request-submission

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: https://www.inspectionpanel.org/how-to-file-complaint
