### **Project Description**

According to the Bank's website, the Program Development Objective is to improve: (i) equitable access to quality education and school health services in preprimary and primary schools; (ii) learning outcomes; and (iii) performance based management along the service delivery chain.

The project component will be nationwide with a pilot scheme to be implemented in about 44 secondary schools in the Soubré, San Pedro, Sassandra and Minignan regions where the secondary school enrolment rates and retention of girls in lower secondary education system are the lowest in the country.

---
