Sectors	Agriculture and Forestry, Law and Government
Investment Type(s)	Grant
Investment Amount (USD)	$ 200.00 million
Project Cost (USD)	$ 200.00 million

Project Description

According to the Bank’s website, the Project development objectives are (a) to expand geographic coverage and enhance service delivery of Ethiopia’s adaptive rural safety net to improve the well-being of extremely poor and vulnerable households in drought prone communities, and (b) in case of an Eligible Early Response Financing Event (“Eligible ERF Event”), respond promptly and effectively to it.

Early Warning System Project Analysis

The overall risk rating for the SEASN project is substantial. This reflects the high macroeconomic, political and governance, and fiduciary risks, as well as substantial risks associated with environmental and social risks.

Investment Description

- World Bank (WB)

Total Project Cost: US$ 200.00 million

PROPOSED THIRD ADDITIONAL GRANT IN THE AMOUNT OF SDR 150.4 MILLION (US$200 MILLION EQUIVALENT)

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: https://www.worldbank.org/en/access-to-information/request-submission

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: https://www.inspectionpanel.org/how-to-file-complaint
