Project Description

According to the Bank's website, the objective of this project is to improve regional collaboration and the socioeconomic and climate resilience of border-zone communities in the target northern regions of the Gulf of Guinea countries exposed to conflict and climate risks.

Early Warning System Project Analysis

Environmental Risk Rating: Substantial

The potential environmental risks and adverse impacts are expected to be the same, as the supported activities are the same ones of the parent project. These include occupational health and safety (OHS) issues associated with noise emissions and dust rising, exposure to hazardous waste, and injury; misuse of fertilizers and pesticide, disruption of natural habitats and ecosystem services they support including water and soil pollution risk linked to Waste and Hazardous Materials Management. Based on the nature and medium-scale of the activities, the AF activities risks and impacts will be substantial, site specific and reversible with potential transboundary adverse impacts.

Investment Description

- World Bank (WB)

Total Project Cost: 23,000,000

IDA Commitment: 23,000,000

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: <https://www.worldbank.org/en/access-to-information/request-submission>

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
