Early Warning System Project Analysis

The overall risk for the program is rated as substantial. Political and governance risks are rated as substantial. Macroeconomic risks are also rated as substantial due to Fiji's vulnerability to shocks typical of PICs' economies: commodity price shocks, weaker-than-expected global growth and monetary tightening, and natural disasters.

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
