Borrower	Regional - Common Market for Eastern and Southern Africa (COMESA)
Sectors	Communications
Investment Type(s)	Grant
Investment Amount (USD)	\$ 5.00 million
Project Cost (USD)	\$ 5.00 million

Project Description

According to the Bank's website, the Program-Level Development Objective is to increase access to, and inclusive use of, the internet and digitally-enabled services in Eastern and Southern Africa. The Project Development Objective for the operation implemented by COMESA is to enhance the enabling environment for increasing access to, and inclusive usage of, the internet and digitally-enabled services in Eastern and Southern Africa.

Early Warning System Project Analysis

The environmental risk rating for COMESA's operations under MPA Phase 1 is Moderate, although the risk rating will be reviewed during preparation.

Investment Description

- World Bank (WB)

In its first phase, the MPA will provide a regional IDA grant to COMESA to set-up the MPA's regional program coordination unit (PCU) and oversee the implementation of the MPA throughout the ten years.

MPA = Multiphase Programmatic Approach

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: <https://www.worldbank.org/en/access-to-information/request-submission>

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
