Project Description

According to bank's website, the approved project aims to focus on the deficiencies in resource allocation and expenditure management, which have been identified as the major constraints to development effectiveness and efficiency, specifically reflected by low capital spending. The project will also focus on enhancing accountability considering its impact on development effectiveness. Based on the lessons learned from the predecessor PFM project, the project aims to consolidate efforts on fewer impactful areas focusing on key PFM challenges to development effectiveness.

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
