Project Description

Project description not available at the time of disclosure.

According to the UN website, Unleashing the Blue Economy of the Caribbean (UBEC) Project is a World Bank-driven sustainable development partnership for the period 2022-2050 aimed at establishing a regional and national investment platform to further develop the Caribbean blue economy and promote sustainable and integrated use of marine resources for economic growth, improved livelihoods, and job generation while preserving the health of ocean systems. UBEC engages various blue economy sectors and welcomes new partners and areas of engagement. UBEC draws on previous World Bank partnerships in the Caribbean region, such as the Caribbean Regional Oceanscape Project (CROP).

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: <https://www.worldbank.org/en/access-to-information/request-submission>

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
