Project Description

According to the Bank’s website, the objective of this project is to improve the enabling environment for a sustainable private sector-led recovery in Ukraine.

Early Warning System Project Analysis

According to the World Bank, the project-related environmental and social risk is 'Moderate'.

Investment Description

- World Bank (WB)

The Recipient obtained a loan in the amount of two hundred eighty three million United States Dollars ($283,000,000) from the International Bank for Reconstruction and Development.

The Recipient has also obtained from the International Development Association (IDA) through the Special Program for Ukraine and Moldova Recovery, on an exceptional basis, a credit in the amount of three hundred million United States Dollars ($300,000,000).

The Bank agrees to extend to the Recipient a grant in an amount not to exceed ten million United States Dollars ($10,000,000) ("Grant") to assist in financing the Project.

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: https://www.worldbank.org/en/access-to-information/request-submission

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: https://www.inspectionpanel.org/how-to-file-complaint
