Project Description

According to bank's website, the canceled project aims to implement the Global Program on Accelerating Digitalization in Nepal. Component 1: Improving and securing data hosting : This component focuses on improving data hosting and enhancing cybersecurity readiness and response. It includes: Subcomponent 1.1: Improving data hosting, which involves upgrading existing government data centers, activating new data centers, transitioning to the government cloud, and developing policies for outsourcing of longer-term data hosting and cloud services. Subcomponent 1.2: Enhancing cybersecurity readiness, which includes improving the technical and operational readiness of the National Cybersecurity Center (NCSC) and enhancing the cybersecurity of current and future government data centers. Component 2: Improving Services: This component aims to improve digital services and enhance access to them. It includes: Subcomponent 2.1: Building core digital government systems: Updating government-to-government (G2G) services and promoting integration of government services. Subcomponent 2.2: Enhancing access to services: Upgrading online and mobile portals, assessing and defining approaches and programs to increasing availability of, access to, and use of digital government services. Component 3: Project Implementation Support: This component is dedicated to project implementation, including strengthening fiduciary, environmental, and social functions, ensuring robust monitoring and evaluation processes, and fostering coordination between key government bodies.

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: <https://www.worldbank.org/en/access-to-information/request-submission>

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
