Sectors	Education and Health
Investment Type(s)	Loan
Loan Amount (USD)	\$ 7.00 million
Grant Amount (USD)	\$ 15.00 million
Project Cost (USD)	\$ 22.00 million

Project Description

According to the Bank's website, the objective of this project is to strengthen Guyana's capacities to prevent, prepare for and respond to health emergencies through a One Health approach and, in the case of an Eligible Crisis or Emergency, respond promptly and effectively to it.

The overarching objective is to enforce Guyana's capacities under IHR to advance key public health pillars, promote the One Health agenda, and mitigate the health, social, and economic impacts of pandemics. By doing so, Guyana aims to position itself as a regional leader in One Health.

Components:

Enhance Laboratory and Workforce Capacity

Strengthening Surveillance Systems for Early Detection and Response

Strengthening One Health Coordination and Capacity

Project Management, Monitoring and Evaluation

Contingency Emergency Response Component (CERC)

Early Warning System Project Analysis

The Environmental and Social Risks Classification (ESRC) is Moderate: Moderate environmental risk rating and a Moderate social risk rating . The key environmental risks are associated with Component 1 (Improve laboratory capacity) activities and include: (a) disposal of renovation wastes generated during construction works and operations; (b) exposure of construction workers to harmful materials during renovations; (c) occupational health and safety (OHS) risks during renovation; and (d) community health and safety risks including odor, noise, dust and traffic during construction and nuisances, accidents, and emergencies during works.

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: <https://www.worldbank.org/en/access-to-information/request-submission>

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
