Investment Type(s)	Grant
Investment Amount (USD)	\$ 50.00 million
Grant Amount (USD)	\$ 50.00 million
Project Cost (USD)	\$ 267.00 million

Project Description

According to bank's website, the approved project aims to support export firms and productive SMEs in Malawi to increase exports and stimulate job creation. Components include: Component 1. Strengthening value chains for exports: this component supports new exporters through an export readiness program to enhance Malawi's export capacity. Component 2. Financing exporters and productive SMEs: this component will provide financing and de-risking solutions, delivered via an apex institution and PFIs, to support exporters and suppliers. Component 3. Project management: this component will support PIU to implement the Project and will also undertake specific activities to support PIU and PFIs' capacity on E&S, M&E and relevant activities.

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: <https://www.worldbank.org/en/access-to-information/request-submission>

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
