Project Description

According to bank's website, the approved project aims to support the strengthening of Mauritania's adaptive social safety net systems. Building on the achievements of the Mauritania Social Safety Net Project II, the project will improve the social registry, the timeliness of payments, enhance targeting and modularity to better respond to the diverse needs of poor and vulnerable households across the country. With a focus on dynamic entry and exit strategies and promoting economic inclusion, the project will increase resilience to economic shocks and climate change while expanding targeted support for women, youth, refugees, the elderly, people with disabilities, and both rural and urban populations.

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
