Project Description

According to bank's website, the approved project aims to increase the competitiveness and resilience of Türkiye's cross-Bosphorus railway connectivity along its main national and intercontinental corridors. The Operation will finance the construction of the Istanbul North Rail Crossing (INRAIL), an approximately 127-km greenfield railway that will serve as a bypass for the Istanbul Metropolitan Area and provide for an overland crossing over the Bosphorus. INRAIL is being prepared and managed by the Directorate of General of Infrastructure Investments (AYGM) within the Ministry of Transport and Infrastructure (MoTI), which will serve as Implementing Agency.

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: <https://www.worldbank.org/en/access-to-information/request-submission>

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
