Sectors	Communications, Education and Health, Technical Cooperation
Investment Type(s)	Advisory Services, Loan
Investment Amount (USD)	\$ 411.00 million
Loan Amount (USD)	\$ 411.00 million

Project Description

According to bank's website, the approved project, implemented by the Ministry of National Education (MoNE), consists of three main components. The first component focuses on strengthening the learning environment to develop priority skills by upgrading classrooms with interactive technologies, establishing ICT labs and innovative classrooms, modernizing vocational workshops in prioritized fields (including green sectors), and enhancing special education settings. It also supports the development of real-world, task-based learning environments that integrate inclusive design, sustainability features, and digital tools. The second component aims to strengthen teaching workforce competencies and private sector engagement by providing in-service training focused on digital literacy, problem solving, critical thinking, inclusive and climate-responsive teaching, and industry-relevant skills; and promote engagement with the private sector by promoting innovation and entrepreneurship among students and graduates, and by supporting Edtech start-ups at all stages through mentoring, incubation, and partnerships. The third component aims to strengthen project management, monitoring, evaluation, and education awareness by enhancing implementation capacity, conducting evaluations, and rolling out national communication campaigns to promote vocational and special education, as well as the digital and green transformation.

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: <https://www.worldbank.org/en/access-to-information/request-submission>

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
