Project Description

According to the WB, the development objective is to contribute to MAPA and MDAAF's effort to increase the reach, effectiveness and sustainability of public policies for Brazil's family and non-family farmers.

The proposed grant would support the Ministry of Agrarian Development and Family Farming (MDAAF), and the Ministry of Agriculture and Livestock (MAPA), in their respective design of public policies and programs to support the development of an inclusive and sustainable agrifood sector, and strengthen their roles as coordinating mechanisms between State- and Federal-level agricultural policies and programs.

Investment Description

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: <https://www.worldbank.org/en/access-to-information/request-submission>

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
