Project Description

According to the Bank's website, the approved project aims to strengthen the information and case management systems for the delivery of reintegration interventions to decommissioned combatants of the Moro Islamic Liberation Front. The project has three key components: Component 1. Establishment and operationalization of an Information Management System. Component 2. Strengthening of case management system and capacity building for the case managers of MILF decommissioned combatants. Component 3. Delivery of socio-economic services to selected male and female MILF decommissioned combatants.

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: <https://www.worldbank.org/en/access-to-information/request-submission>

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>.
