Project Description

According to bank's website, a devastating fire on December 12, 2024, caused extensive damage to the office buildings of three government ministries – Ministry of Construction and Infrastructure; Ministry of Housing, Land and Urban Development; the Ministry of Climate Change, Environment, and Energy. While there were no casualties from the incident, the staff from the three ministries were displaced, with the majority currently working from temporary offices. The proposed operation responds to a letter from the Government of Maldives (GoM) dated February 2, 2025 requesting the World Bank's support for the reconstruction of the office building. The proposed Emergency project accordingly aims to support the reconstruction of the government office building, consisting of two components: Components 1: Resilient and Green Government Office Buildings Component 2: Project Management Support and Capacity Building.

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
