Investment Type(s)	Loan
Investment Amount (USD)	\$ 200.00 million
Loan Amount (USD)	\$ 200.00 million
Project Cost (USD)	\$ 1,029.65 million

Project Description

According to the Bank's website, the objective of this project is to expand area under sustainable land management practices, secure land tenure and increase market linkages in Highland Areas. Specifically, it aims to: (i) expand sustainable land management in degraded Highland Areas; (ii) sustain and expand certification, registration, and digitalization of rural land rights in Ethiopia's highlands, including communal forests and grazing lands; and (iii) raise farm incomes and create jobs by strengthening agribusiness value-chain linkages. Primary beneficiaries are smallholder farmers in program watersheds. The program will increase smallholders' livelihood security and broaden income earning opportunities.

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: <https://www.worldbank.org/en/access-to-information/request-submission>

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
