## Project Description

According to bank's website, the approved project aims to strengthen the GoU's efficiency, accountability, and sustainability of public investment and asset management. Progress towards the achievement of the PDO will be measured through the following indicators: (a) Share of PIP projects, included since FY2026/27 and having undergone the PIM process, which are progressing on time, (b) Share of PIP projects, included since FY2026/27, for which progress reports about financial and physical progress are publicly available on an annual basis, (c) Increase in the share of assets in selected sectors that are recorded, monitored, and maintained and, (d) Increase funding for climate resilience of infrastructure assets.

## ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: <https://www.worldbank.org/en/access-to-information/request-submission>

## ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing [ipanel@worldbank.org](mailto:ipanel@worldbank.org). Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
