Project Description

According to the Bank's website, the objective of this project aims to improve access to better jobs and livelihoods, build the resilience of the poorest households, and improve the effectiveness of the adaptive social protection system. PSNP 6 will be transformative with a focus on building resilience through jobs and livelihoods creation enhancing the productivity of rural Ethiopians living in poverty. The project will also focus on improving human capital outcomes of beneficiaries and their households, as well as enhancing an adaptive social protection system to ensure adaptability and flexibility in responding to shocks. Ultimately, this project will contribute towards reducing rural poverty in Ethiopia.

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: <https://www.worldbank.org/en/access-to-information/request-submission>

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
