Loan Amount (USD)	\$ 100.00 million

Project Description

According to bank's website, the approved project aims to improve access to enabling infrastructure and promote local jobs in selected areas in the Northern Province and Eastern Province, and in case of an eligible crisis or emergency, respond promptly and effectively to it. The project comprises two main components: Component 1 will establish the strategic foundation for long-term regional development by financing technical assistance, consultancy services, goods, and equipment to strengthen regional planning capacity and guide long-term economic development in the Northern and Eastern Provinces. Component 2 will finance civil works, consultancy services, feasibility studies, detailed designs, management and supervision of works for infrastructure investments in five priority clusters, with the aim of activating the private sector and promoting economic growth.

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: <https://www.worldbank.org/en/access-to-information/request-submission>

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
