Project Description

According to bank's website, the approved project aims to strengthen Croatia's disaster preparedness and resilience by enhancing institutional capacity at the national level and across strategic sectors, and increasing financial resilience. Accordingly, Pillar 1--Strengthening institutional capacity for disaster preparedness and resilience, will support foundational reforms that increase the disaster preparedness of critical infrastructure and services, and that build institutional capacity for climate adaptation (CA). Pillar 2--Enhancing disaster preparedness and climate resilience in key economic sectors, will support reforms that address vulnerabilities and foster sustainable development in the energy, tourism, and housing sectors. Pillar 3--Strengthening the financial resilience of businesses and households, will advance reforms in the insurance and social protection sectors to enhance coping and recovery capacity for disaster and climate impacts.

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: https://www.inspectionpanel.org/how-to-file-complaint
