Project Description

According to bank's website, the approved project aims to increase access to finance for MSMEs. Component 1: MSME Finance The objective of this component is to encourage additional sound lending to MSMEs and ensure the ongoing viability and operational capacity of financial institutions (FIs), especially microfinance institutions in the West Bank. The proposed operation will provide targeted support through de-risking credit to MSMEs and providing operational grants to financial institutions. * Sub component 1.1: De risking credit to MSMEs - Partial credit guarantees to mobilize lending. * Sub component 1.2: Supporting MFI operations - Operational grants to MFIs to sustain core functions during the crisis and enable faster recovery. Component 2: Project Management Component 3: Contingent Emergency Response Component (CERC) Provides flexibility to rapidly reallocate funds in response to an eligible emergency or crisis, if needed.

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
