Project Description

According to the project disclosure, the objective of the project is to strengthen regional economic corridors, de-risk infrastructure investments to mobilize private capital, and promote inclusive economic transformation in Liberia and neighboring Mano River Union countries. The proposed operation will: (i) Support the implementation of priority regional corridors, including ready-to-deliver cross-border road segments and associated regional integration facilities to improve trade flows and market access;(ii) De-risk strategic transport infrastructure through the preparation and structuring of the Liberty Corridor, supported by feasibility studies, detailed engineering designs, traffic analysis, financial modeling, and transaction advisory, to mobilize private sector investment;(iii) Strengthen mining sector readiness and local value creation, including regulatory modernization, sector transparency, and support to artisanal and small-scale mining and corridor-linked MSMEs and job creation;(iv) Enhance institutional capacity and sector governance to improve project preparation, PPP implementation, and corridor management.

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
