Project Description

According to bank's website, the approved technical assistance (TA) operation will finance institutional, analytical, and coordination activities to design, launch, operationalize, and initiate implementation of Sudan's Preparedness Plan for Food and Nutrition Security Crises. Activities include structured stocktaking and bilateral consultations; refinement of operational arrangements for monitoring food and nutrition security and coordinated early action; facilitation of multi-stakeholder technical working groups; publication of the finalized Preparedness Plan and informational materials; and preparatory implementation steps such as Joint Monitoring Report (JMR) training for partners, finalization and circulation of Terms of Reference for national coordination groups, and activation of a country-level trigger module with onboarding of focal points. Funding will be provided by the Food Systems 2030 Multi-Donor Trust Fund (TF073570), and the operation is linked to the Sudan Somoud - Enhancing Community Resilience Project (P181490).

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
