Project Description

According to the WB, the state of Amapa has requested the support of the World Bank to further advance ongoing reforms and enhance efficiency across whole-of-government management and service delivery through the Progestao Program. This project is fully aligned with the objectives set forth under the Multi-phased Programmatic Approach (MPA) Progestao framework and prioritizes key areas, including human resources, pensions, procurement, investment management, budgeting, and asset management. Additionally, the project will finance targeted improvements in financial management and information systems, with the aim of strengthening fiscal efficiency in the health sector.

Investment Description

- World Bank (WB)

Contact Information

No contacts available at the time of disclosure

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: <https://www.worldbank.org/en/access-to-information/request-submission>

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
