Project Description

According to bank's website, the proposed operation aims to mobilize private investment and support quality job creation in selected tourism destinations in Indonesia by strengthening destination readiness and basic infrastructure, improving coordination, governance, and the business regulatory environment, and enhancing MSME capabilities along tourism value chains. The project will focus on destinations with evidence-based, proven potential for sustainable, high-quality tourism and will mobilize private capital through targeted public investments and de-risking instruments. It will align with ongoing WBG (including IFC and MIGA) engagements to ensure complementarity and maximize impact.

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: <https://www.worldbank.org/en/access-to-information/request-submission>

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
