Project Description

The proposed operation corresponds to Phase 3 of the Brazil Electromobility Multiphase Programmatic Approach (MPA) and aims to improve the quality of public transport and increase access to jobs in Boa Vista. Total cost is US$120 million, financed by a US$100 million IBRD loan to the Municipality of Boa Vista with a federal sovereign guarantee and US$20 million in local counterpart funding.

Investment Description

- World Bank (WB)

Contact Information

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: https://www.worldbank.org/en/access-to-information/request-submission

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: https://www.inspectionpanel.org/how-to-file-complaint
