Project Description

According to the disclosure statement, the project aims to improve utilization and quality of primary health care while strengthening transparency, efficiency, and accountability through innovative digital systems. It will address persistent health system challenges by integrating digital health transformation with targeted investments to strengthen service delivery, including interoperable health information systems, improved digital infrastructure, and investing in job-ready, skills-enabled health workforce for efficient, high-quality service delivery. Additionally, the project will strengthening effective service delivery, by shifting toward an integrated, people-centered primary health care model anchored in strong community-based platforms.

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: <https://www.worldbank.org/en/access-to-information/request-submission>

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
