Project Description

According to bank's website, the approved project aims to mitigate the immediate impacts of crises on vulnerable populations by aiding access to critical supplies and the resources needed for immediate response. The main categories of activities supported by the CERP include: (i) emergency livelihood support to households; (ii) provision of essential emergency supplies and services; and (iii) emergency response coordination and management. Given the CERP's focus on providing rapid financing for immediate crisis response, each activation of the CERP will be implemented within a 12-month timeframe. Component 1. Emergency Livelihood Support to Households: The CERP will provide direct emergency income support to people/ households affected by disasters by scaling up cash transfers and cash-for-work programs. Component 2: Provision of Essential Emergency Supplies and Services: Support will be provided to sustain delivery of critical services and ensure the accessibility of essential supplies during and after emergencies. Component 3: Emergency Response Coordination and Management: Support will be provided for incremental operational expenditure incurred by the government for response and early recovery efforts including, inter alia, evacuation procedures, shelter administration, additional transportation costs (i.e., gasoline and use of other transportation), increased electricity bills for the public sector, staff overtime and rental of light and critical machinery (i.e., generators for emergency and shelter operation, equipment for removal of debris, etc.).

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
