Project Description

According to bank's website, the proposed project aims to respond promptly and effectively to an eligible crisis or emergency in Zambia. In the event of an eligible crisis or emergency, the CERP will be activated to provide immediate response to mitigate the impacts of crises on vulnerable populations. This includes emergency livelihood support such as cash transfers and cash-for-work programs, provision of essential emergency supplies and services including WASH inputs, and the operational, coordination, and technical assistance support needed to ensure the efficient and effective utilization of these resources.

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
