Borrower	Ministry of Economy and Finance
Sectors	Water and Sanitation
Investment Type(s)	Loan
Loan Amount (USD)	\$ 150.00 million
Project Cost (USD)	\$ 300.00 million

Project Description

According to the bank disclosure, the Water and Sanitation Resilience Operation (Operation Resilience Eau et Assainissement, OREA) is designed to expand access to safely managed water and sanitation services and strengthen water resources management in Burkina Faso. The operation responds to persistent water and sanitation service gaps, increasing climate pressures, rapid urbanization, and displacement-driven demand.

Investment Description

- World Bank (WB)

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: <https://www.worldbank.org/en/access-to-information/request-submission>

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
