## Project Description

The development objective of Accelerating Nutrition Results in Nigeria Project is to increase utilization of quality, cost-effective nutrition services for pregnant and lactating women, adolescent girls and children under five years of age in select areas of the Recipient's territory. This project has two components. 1) The first component, Basic Package of Nutrition Services, aims to scale up a basic package of nutrition-related interventions in twelve states. 2) The second component, Stewardship and Project Management, aims to strengthen key stewardship functions at the federal and state levels for the sustained delivery of nutrition services.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing [ipanel@worldbank.org](mailto:ipanel@worldbank.org). You can learn more about the Inspection Panel and how to file a complaint at: <http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx>.
