Project Description

According to the bank document, the project will contribute to the government''s development objective to ensure a healthier nation by supporting the development of a more responsive and comprehensive primary health care (PHC) system in Sri Lanka. It will enhance planning and delivering of essential PHC to geographically and socioeconomically deprived populations of Central, North Central, Sabaragamuwa, and Uva provinces. The project will (i) inform and operationalize government PHC reform initiatives, (ii) improve underserved communities'' access to primary health services, and (iii) address selected gaps in core public health capacities in line with the International Health Regulations (IHR).

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
