Project Description

According to the bank website, the technical advisor will work closely with the Ministry over a period of 12 months to prepare for the Annual Meeting, which includes multiple seminars and meetings taking place simultaneously. The advisor is expected to assist with managing operations, including services, logistics and procedures. The TA will support the successful delivery of the ADB Annual Meeting in 2019, which will provide the opportunity to showcase Fiji and other small island developing states' development progress and the scope to highlight the vulnerabilities of these states.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
