Investment Amount (USD)	$ 100.00 million
Project Cost (USD)	$ 100.00 million

Project Description

According to bank documents, the project aims to "improve climate resilient road access to economic and human capital development facilities in targeted provinces...The design of the proposed project builds on a network-wide connectivity approach in targetedprovinces to improve all-season road accessibility in rural areas, between rural areas and urban centers, and beyond. The project provinces include Kampong Cham, Kratie and Tboung Khmum with a total population of over 2.3 million people. The selection of provinces was determined considering several criteria including density of rural population, agricultural potential, vulnerability to floods, conditionof roads and connectivity of provincial road networks."

Investment Description

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
