Project Description

According to IDB Invest website, this transaction involves a revolving and uncommitted line of credit in favor of Farmacorp S.A. (hereinafter "Farmacorp" or the "Company") in Bolivia. These funds will be used to import medical and hospital supplies from foreign suppliers.

Investment Description

- IDB Invest (IDBI)

Contact Information

Project contacts not available at the time of disclosure.

ACCOUNTABILITY MECHANISM OF IDB Invest / IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
