## Project Description

This Technical Cooperation seeks to support the Government of Panama to implement a decentralization process, seeking to contribute to a public administration closer to citizens. Goals are to improve the capabilities of results-based public management in governors and pilot municipalities; and develop the capacities of the Ministry of Government (MINGOB), in coordination with the Ministry of Economy and Finance (MEF), to lead the decentralization process.

---

## Investment Description

- Inter-American Development Bank (IADB)

The Technical Cooperation is funded up to US \$160,000 by the IADB.

## Contact Information

### ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
