---

### **Project Description**

According to the Bank's website, the objective of this project is to strengthening Ha Tinh City as the regional center for green, supporting climate resilient urban development in the central north region.

The proposed project will construct climate resilient urban infrastructure to enable sustainable socio-economic growth and improve living standards for 153,000 people. The project will help Ha Tinh City become more livable, adapt to climate change, build the city's climate and disaster resilience, enhance environmental sustainability, strengthen governance and institutional capacity and promote gender equality and the empowerment of women.

### Investment Description

- Asian Development Bank (ADB)

### Contact Information

Responsible ADB Officer: Nash, Alexander D.

Responsible ADB Officer: Southeast Asia Department

Responsible ADB Division: Urban Development and Water Division, SERD

Executing Agencies: Provincial People's Committee of Ha Tinh Province

### ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

### ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
