Bangladesh: Mymensingh Kewatkhali Bridge Project

Quick Facts

Countries	Bangladesh
Specific Location	Mymensingh city
Financial Institutions	Asian Infrastructure Investment Bank (AIIB)
Status	Proposed
Bank Risk Rating	A
Borrower	Government of Bangladesh
Sectors	Transport
Investment Type(s)	Loan
Investment Amount (USD)	\$ 152.60 million
Loan Amount (USD)	\$ 152.60 million
Project Cost (USD)	\$ 235.10 million

Project Description

The objective is to address cross-river bottlenecks at strategic locations.

AIIB document states that the proposed project consists of two components:

1. Construction works and consulting services. The project will support the construction of Kewatkhali Bridge about 900 meters in length and approach road about six kilometers in length. Other ancillary works to make the project bridge fully functional are also included, e.g., installation for traffic management equipment and traffic surveillance, construction for O&M facilities, and tolling and communication systems.

2. Project management support and capacity building. This component is comprised of the project management costs of the project implementation unit. The project will also support the training, capacity building and institutional development of RHD for operating, managing and maintaining the RHD networks of the project division areas

Investment Description

Co-financing:

Government of Bangladesh US\$ 82.5 million

- Asian Infrastructure Investment Bank (AIIB)

ACCOUNTABILITY MECHANISM OF AIIB

The AIIB has established the Accountability Mechanism for Project-Affected People (PPM). The PPM provides “an opportunity for an independent and impartial review of submissions from Project-affected people who believe they have been or are likely to be adversely affected by AIIB’s failure to implement the ESP in situations when their concerns cannot be addressed satisfactorily through Project level GRMs or AIIB Management processes.” Two or more project-affected people can file a complaint. Under the current AIIB policy, when the bank co-finances a project with another development bank, it may apply the other bank’s standards. You can refer to the Project Summary Information document to find out which standards apply. You can learn more about the PPM and how to file a complaint at: <https://www.aiib.org/en/about-aiib/who-we-are/project-affected-peoples-mechanism/how-we-assist-you/index.html>.

The complaint submission form can be accessed in Arabic, Bahasa Indonesia, Bengali, Chinese, English, Tagalog, Hindi, Nepali, Russian, Turkish, or Urdu. The submission form can be found at: <https://www.aiib.org/en/about-aiib/who-we-are/project-affected-peoples-mechanism/submission/index.html>.
